

JOLLY TIME IS AHEAD

The K. G. Barkoot World's Shows
Coming For Week, Beginning
April 22.

WORK NOW IN PROGRESS.

Event Will Surpass All Previous
Things Along This
Line.

The K. G. Barkoot World's Great-
est Shows will give a week's engage-
ment in this city, beginning April 22.
This carnival will be given under the
auspices of the Uniform Rank, W. O. W., and active work has already
been started in making preparations for the big Spring event.

This company is by far the largest
and best amusement aggregation
that has ever been through this part
of the country. The Daily Corinth-
ian, of Corinth, Miss., has the fol-
lowing to say about this company:

"This is the first visit to this city
for the Barkoot Shows and while
many obstacles have stood in the
way, in preventing the shows ap-
pearing in their entirety, for lack
of sufficient room, etc., the amuse-
ments have more than met with the
expectations of Corinthians—and
they are competent judges when it
comes to amusement.

The shows are all good and judg-
ing from the large patronage ac-
corded them last evening it would
be difficult to determine which of
the large number stands first in pub-
lic favor.

The Royal Italian Band under the
masterful leadership of Prof. Sig.
Angelo Mummolo, continues in pub-
lic favor and the choice selection
rendered by this band of musicians
is, within itself, well worth a visit
to the carnival grounds.

ROGERS MET DEATH

Man Who Flew From Ocean to
Ocean Accidentally
Killed.

SMASHUPS WITHOUT END.

His Is The Twenty--Second
Death Among American
Airmen, the 127th in All.

Long Beach, Cal., April 3.—Cal-
braith P. Rogers, the first man to
cross the American continent in an
aeroplane, was killed here almost in-
stantly late today when his biplane,
in which he had been soaring over
the ocean, fell from a height of 200
feet and buried him in the wreck.
His neck was broken, and his body
badly smashed by the engine of his
machine. He lived but a few mo-
ments.

For a week Rodgers had been
making daily flights here and had
taken up with him many passengers,
both men and women. Today he
started from his usual place and
soared out over the ocean, crossing
the pier and then turned and dipped
close to a roller coaster in a beach
amusement park.

Fatal Dip.

Making a short turn, he started at
full speed for the pier, then sudden-
ly dipped his planes, and his machine
began a frightful descent. He was
seen by hundreds of persons on the
pier to relax his hold on the levers,
and then, seemingly realizing that
he was in danger, he made strenuous
efforts to pull the nose of his ma-
chine into a level position. Failing
in this, he managed to turn his craft
further in shore, and an instant
later the craft crashed into the edge
of the surf, not fifteen feet from the
spot where on December 10 last he
had finished his ocean-to-ocean
flight.

Small Blaze From Lime.

The hard rain Monday night caused
a portion of the F. A. Yost Co.
warehouse on Virginia street to be
flooded by water that ran off the
street. It reached a number of lime
barrels and slaked the lime and
started a fire that burned the floor
and reached some nail kegs before
it could be controlled. The damage
was small and covered by insurance.

First With Good Roads.

Washington, April 5.—An official
statement issued by the Department
of Agriculture shows that Rhode Is-
land, the smallest state in the Union,
with an area of only 1,250 square
miles, ranks first of all the states in
its percentage of improved roads,
with 49.14 per cent, while Mas-
sachusetts is second with 49 per cent.
Indiana follows with 36.7 per cent,
Ohio, Connecticut, New Jersey and
Kentucky following in descending
order.

King Alcyon

I take this method of letting my friends
know that my BLACK KING ALCYON
will make the present season of 1912 at
my farm on the Miller's Mill road, half
way between Beverly and Old Logview. KING ALCYON is six years
old, 14 hands high, weighs 1150 pounds, black as a crow, goes five
gaits and makes good time in harness. He is undoubtedly one of the
best FOX-WALKING HORSES I ever rode. He has all the style,
head and tail, any other horse has. He will be permitted to serve
mares at the

Low Price of \$5.00

a single leap, money due when service is over. He is owned and will
be stood by

I. L. LITCHFIELD.

New Interurban Railroad

Attention is drawn to the adver-
tisement in this issue, of the Ken-
tucky-Tennessee Traction Co. Mr.
Charles Russell and Mr. W. O. My-
ers, of Chicago, arrived in the city
last week and are busy with the de-
tails of selling the stock and the
work preliminary to the construc-
tion of the road, and will make a
survey of the route at once, covering
a distance of 28 miles from Hopkins-
ville to Guthrie, via Casky, Salubria
Springs, Pembroke and Trenton, the
first link in a line of 150 miles ul-
timately to extend from Evansville,
Ind., to Nashville, Tenn., with
branches to prominent points in dif-
ferent directions. Offices have been
opened in the Phoenix building, cor-
ner of Main and Ninth streets, which
the public is cordially invited to vis-
it, especially those from out of town
and living along the line. Interur-
bans are the pioneers of a greater
development commercially, socially
and educationally, and promise more
to the people for miles on either side
of the line and towns traversed than
any other one influence that has come
into their lives during the last quar-
ter of a century. What an interur-
ban will do for a rural community
can be learned by noting the progress
along the interurban roads in
Indiana, Ohio, Illinois and other
states. It means the emancipation
of the Farmer's family and more
comforts and happiness in rural life.
We bespeak for this enterprise the
broadest and most liberal support
from all classes of citizens. It is
generally known that interurban
stocks are regarded everywhere as
being gilt-edged investments, and
highly profitable, and the outlook
for the Kentucky-Tennessee is most
promising.

Remember the mass meeting at
the court house Monday night to
boom the Kentucky Tennessee Trac-
tion Co's. proposed interurban line.
The meeting will be addressed by
Messrs. Russell and Myers, of Chi-
cago, and by prominent citizens. A
large gathering of the progressive
citizenship of Hopkinsville is expect-
ed.

PASSENGER TRAIN WRECK

Engine and Two Coaches Into
a Ditch Near Olmstead, Ky.

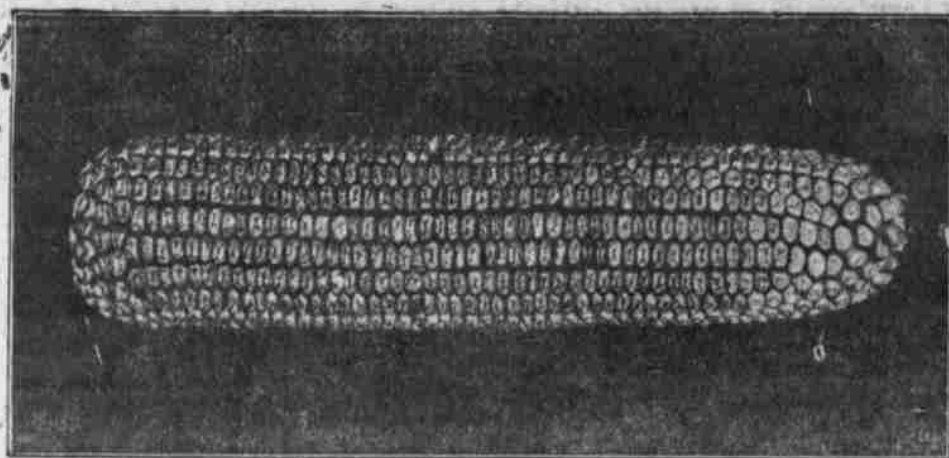

Bowling Green, Ky., April 2.—
High water along the Louisville &
Nashville tracks near Olmstead, Ky.,
today resulted in the wrecking of
local passenger train No. 104 from
Memphis to Bowling Green.

A washout sent the engine and
two coaches into the ditch and several
trainmen and a mail clerk had
narrow escapes from death. Fire-
man Ernest Potter suffered a broken
leg, while others received minor in-
juries.

MAYOR INDICTED

James T. Hinton of Paris, Ky.,
Is Charged With Election
Fraud.

Paris, Ky., April 3.—James T.
Hinton, mayor of Paris, and one of
the wealthiest men in Central Ken-
tucky, was indicted by the grand
jury on a charge of receiving \$700
to cause the election of a candidate
to city council. The indictment is
the result of charges made by Repre-
sentative J. Campbell Cantrill, that
frauds would be found to exist if
there was an investigation.

WANTED--A NAME

FOR THE NEW MOTION PICTURE THEATRE TO BE OPENED, IN OPERA HOUSE, APRIL 15TH.

First, let us say that this show is to be of the very highest class to be obtained in the world of moving pictures. The high standard set in this city is to be main-
tained, if not surpassed. We want a name that is short, attractive and easily remembered. There are many of this type that are hackneyed from constant use. We
want something original and catchy—something distinctive.

Write your name and address on a card or piece of paper and the name you have selected below it. Put the card or piece of paper in an envelope and address it
to the THIRD REGIMENT BAND, and on one corner of the envelope write the name you wish to suggest. Don't fail to put the name on the envelope and do not have
anything upon it which might reveal your identity. These communications will be numbered in the order of their receipt, and in case the same name has been selected
by more than one, the number showing priority of receipt will be the one to receive the tickets. There will be no second prize, both tickets going to the one suggesting
the best name. The competition is open to any white resident of Hopkinsville and Christian county. All answers must be in by six o'clock P. M., April 10th, and no
communications will be received after that hour. Here is your opportunity to secure a whole summer's entertainment, for the tickets will admit to any and all the shows
